Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: STRAT 7

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?	X			
are sound?		X		
comply with the Duty to Co-operate?	X			

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Sustainability - the Chalgrove Airfield site has very poor sustainability - it would create significantly more road traffic than other sites and would require much greater road transport infrastructure development than other options which would result in substantial additional cost.

Housing allocation numbers - the Plan is unsound as more houses are allocated via the proposed development than are required in the SODC's scoping of housing need. The Plan can meet the housing need without the inclusion of Chalgrove airfield.

Delivery and Viability - The Chalgrove airfield site is currently unavailable and this situation is unlikely to change given the strategic importance of the current occupier of the site.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

To make the Local Plan sound I believe it to be necessary to remove the proposal to build a Chalgrove New Town.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
