Dear Sir/Madam

**Individual Response to SODC Planning about the Local Plan 2034 – with reference to STRAT 12 Northfield**

I am writing to state that I do not find the Local Plan 2034 legally compliant and sound and I have strong objections to the inclusion of the Northfield Housing site.

I have never been consulted about the inclusion of the Northfield Housing Site at any earlier stage in the development of this Local Plan and I strongly object to it being included. This site is in the Green Belt and the land should be kept open as it separates the beautiful village of Horspath from the industrial zone of Cowley. I chose to live in Horspath as it is a separate village and I do not want SODC to make Horspath a suburb of Cowley.

Our house overlooks the land that is proposed for the Northfield site and so I strongly object to the building of the housing estate on this part of the Green Belt near Horspath because I enjoy the beautiful views of the rural landscape and the direct access to it on foot from my village. Putting the Northfield Housing estate here would harm the landscape and rural environment, and our enjoyment of it.

The new housing would invariably increase noise, air and light pollution at night and this would not be acceptable.

I am disappointed that there has been no meaningful or adequate public consultation provided by SODC to test the acceptability of its major change in strategy to promote six strategic housing sites in the Green Belt.

**I would like to make it clear that I would like Northfield to be completely removed from the Local Plan 2034.**

I do not wish to participate in the oral hearings part of the legal Examination in Public in the summer, however I would like to be added to the database for receiving further information about the Local Plan 2034.

Please can you acknowledge receipt of this response.

Yours sincerely

Freya Jones
