Document / Policy / Paragraph: Policy Strat11: Land south of Grenoble roas

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Proper consultation has not been undertaken.
The site is green belt and the need to develop this land is based on an assessment of housing which is unproven.
The plan is not sound because it has not been based on good evidence or co-operatively with other agencies and with little consideration to traffic/transport implications or the sustainability of the local environment.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

The green belt land South of Grenoble Road should be taken out of this local plan 2034. It would be a significant loss to the parish, the city and the county

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
