Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: Policy strat 11: Land south of Grenoble road

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

There has been no proper consultation.

The 'exceptional circumstances' to remove Grenoble road from the green belt is based on an assessment of housing needs in the city which is unproven.

It is not sound and does not comply with duty to co-operate because it is not based on sound evidence, produced cooperatively with other agencies (eg highways England, highways department of OCC) or with enough consideration of transport and sustainability of the local environment.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

The green belt land south of Grenoble road should be removed from the local plan 2034.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
