

71 FEB 2018

Dear Sirs,

Local Plan 2034. Objections.

I wish to object to the Local Plan 2034 for the following reasons:

1. The high density requirement takes no account of the varying, established densities in Sonning Common and the surrounding landscape setting. Far too inflexible.
2. The housing allocation for the village is far too high, taking no account of the current traffic and parking problems in the village centre. The extra allocation will make a bad situation far worse.

Yours faithfully,

Douglas Kedge.

The Planning Dept.

Local Plan 2034 Objections.
