The roads of Oxford and the surrounding towns and villages are already full. A small accident on the A34 or heavy rain can bring Oxford city and environs to a halt. Already in rush hour an extra 30 to 45 minutes must be added to a journey. Houses with working couples will need at least one car to access schools, jobs and shopping.

Q31. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q32. Would you like to comment on another policy or paragraph?

No
