Subject: Individual Response to SODC Planning about the Local Plan 2034

Importance: High

Dear Sir/Madam

With reference to STRAT 12 Northfield I am writing to object to the inclusion of the Northfield housing site in the Local Plan 2034 because I have never been consulted about this at any earlier stage in the development of this Local Plan. I object to the use of this site in the Green Belt near Horspath because it is extremely important to keep this land, which separates the village of Horspath from the industrial zone of Cowley, open. I have lived in Horspath for almost 11 years and want to continue living in Horspath because it is a separate village. So, I do not want SODC to make Horspath into a suburb of Cowley. I object to the building of the Northfield housing estate on this part of the Green Belt near Horspath because I love the beautiful views of the rural landscape and the direct access to it by foot from the village. Putting Northfield housing estate here would destroy the landscape and rural environment, and my family's enjoyment of it.

I therefore request that Northfield is completely removed from this Local Plan 2034 as I do not consider the Local Plan 2034 legally compliant or sound.

I trust you will keep me informed of discussions and decisions made from here on and am therefore happy to be included on your database for the Local Plan 2034. I also request SODC confirm receipt of this response.

Yours faithfully

Anjali Lloyd-Jani
