Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: Policy strat1

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Erosion of green belt land. Destruction of existing homes. Significant increase in air & noise pollution, specifically the air quality & the danger of that to the thousands of existing resident who would have to live with the impact to their health

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

For the expressway plan scrap the idea completely & invest in the existing road network or failing that choose option B1 running to the west of oxford. Reduce the number of new homes planned in Oxfordshire which would see the number of homes double in the county by 2050, this seems like an extremely dangerous increase, with services already struggling to cope with the existing population

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
