MM8

Q7. Please provide your comments in the box below. If your comments are over 500 words it would be really helpful if you could also provide a summary of your comments using the text box in the next question. You will also be able to upload any supporting documents using the button below.

3. Higher density housing will impact on the habitat and ecology of Bayswater Brook even more than the initial consultation. Developers will look for higher density.
4. Again, removing the need to keep in character will lead to a greater impact on the local wildlife. While developers often plant new trees, there is no follow up and they die.

Q8. If your comments are more than 500 words long, please use the space below to provide a summary. You are not required to summarise your comments, but a summary would help us in our reporting.

No Response

Q9. Please upload any supporting documents below:

MM17

Q17. Please provide your comments in the box below. If your comments are over 500 words it would be really helpful if you could also provide a summary of your comments using the text box in the next question. You will also be able to upload any supporting documents using the button below.

These proposed changes are likely to make [REDACTED] because it is a no through road, a rat run. It is not fit for purpose, and there are no plans for junction upgrades. Even the impact of the short lived testing centre at Thornhill, and the increase in traffic due to drivers taking a wrong turn, showed that this can't cope.

Q18. If your comments are more than 500 words long, please use the space below to provide a summary. You are not required to summarise your comments, but a summary would help us in our reporting.
