The Cuxham bypass is wholly within Cuxham with Easington Parish. Properties within Watlington Parish close to the parish boundary with Cuxham have been ignored. Consideration should be given to the significant effects of greatly increased traffic volumes on these properties. Extending the Cuxham bypass to join the Watlington bypass should be investigated.

Q8. If your comments are more than 500 words long, please use the space below to provide a summary. You are not required to summarise your comments, but a summary would help us in our reporting.
