Q7. Please provide your comments in the box below. If your comments are over 500 words it would be really helpful if you could also provide a summary of your comments using the text box in the next question. You will also be able to upload any supporting documents using the button below.

Why oh why are the planned developments not required to provide a charging point for an electric car at each dwelling? Commuting to work may currently be out of fashion due to Covid 19, but it is unlikely to last for ever and by 2035 all cars are proposed to be electric - so why not plan for this now with the developments in the District Plan?

Q8. If your comments are more than 500 words long, please use the space below to provide a summary. You are not required to summarise your comments, but a summary would help us in our reporting.
