There a number of reasons why myself and many others living in Beech, Sycamore, Ash and Willow close object to a bypass going through Willow close and the roundabout. Firstly, the increased volume of traffic is extremely disruptive to residents on Willow close and the surrounding closes. Building on that, young children are also walking to and from school via Willow close, which is currently a very light traffic area and children can safely walk by themselves without danger. Secondly, off street parking at Willow close and the surrounding closes will be further reduced from its already inadequate state. Furthermore, the green will be an unsuitable play area with the increased volume and subsequent noise of road traffic in addition to the increased risk of playing ball games adjacent to a busy road. Finally, I feel that a bypass will devalue many of the homes in the area as a strong positive is currently its relative isolation from heavy traffic and road noise.

Kind regards,

Johnny Shaw
