Developing the land north of Bayswater brook would put real pressure on the road infrastructure and existing school in Sandhills. I'm strongly opposed to the proposed bypass north of Sandhills which will cut Sandhills off from the countryside villages of forest hill and Stanton st John. During lockdown the locals of Sandhills have highly valued the countryside and wildlife thriving here. The reduction of air quality and increase in traffic noise is really worrying in Sandhills, which is already bordered by a dual carriage way is further enclosed by high usage roads.

There will be poor alternatives to car transport in the proposed development area. Cycling is not ideal with the elevation of Sandhills and there are few amenities in walking distance.

Q8. If your comments are more than 500 words long, please use the space below to provide a summary. You are not required to summarise your comments, but a summary would help us in our reporting.
