Q7. Please provide your comments in the box below. If your comments are over 500 words it would be really helpful if you could also provide a summary of your comments using the text box in the next question. You will also be able to upload any supporting documents using the button below.

We strongly object to the changes proposed by moving the BYPASS to the edge of our estate for the following reasons:

1. Trees, hedges and wildlife which currently edge the Marle Brook Estate on Willow Close will have to be destroyed before the Bypass you propose can be built. What you are proposing will then bring huge volumes of traffic literally past the front doors of the houses in Willow Close.

2. The facilities of the green area behind Willow Close - play area for children -quiet place for adults.disabled and elderly will be destroyed by the excessive traffic bringing with it a turmoil of daily noise and pollution.

3. Peak time traffic will bring serious danger just at times when children are walking to school past the roundabout with barely a meter between them and thundering truck wheels. Riding their tricycles or scooters to schools will be dangerous.

4. Wheelchair/invalid scooters operators will live with the constant fear of being unsafe in trying to cross the road

5. By changing the Neighbourhood plan already Agreed, you will completely destroy the way of life currently enjoyed by young and old alike who live on the Marle Brook Estate and they will face constant danger of road accidents every time they step out of their front door.

Q8. If your comments are more than 500 words long, please use the space below to provide a summary. You are not required to summarise your comments, but a summary would help us in our reporting.

No Response

Q9. Please upload any supporting documents below:
