I have serious concerns if the road is planned to go this way. As a resident of [REDACTED] we already suffer from a lack of parking space. We are very lucky to have the green space on the "green" which our children are able to play on. If the road was redirected as shown in these plans it would not be possible for them to play there safely.  
Please consider this as an objection to the planned road route.

Q8. If your comments are more than 500 words long, please use the space below to provide a summary. You are not required to summarise your comments, but a summary would help us in our reporting.
